Love and Justice for All

1st April 2022

Dear Parent,

The Spring coffee morning was the perfect way to end this term and it was wonderful to see so many parents and grandparents back in school. The children all had a great time and they cannot wait for another. A huge thank you to our Trustees for organising everything and for those parents who chipped in – we could not hold these events without your support and time! The money raised will go towards the new Trim Trail for the big playground. If your business or place of work offers a match-funding scheme, please contact the school office.

Mrs. Lorna Rahmani - Torkaman (our school ELSA) has retired. She has been instrumental in creating a well-being resource that is available for all our children. Both children and staff have benefitted greatly from her calming influence and words of wisdom. We all wish her the very best in her retirement and new role as 'Grandma'!

Mrs. Caroline Evans, our Deputy head and much-loved Year 6 teacher, has decided that this will be her final year of teaching and will retire at the end of the Summer Term. Mrs. Evans has worked at Guilden Sutton for 23 years and it will always hold a special place in her heart. She has taught too many children to count, but I do know that those who have been in her class have had the best possible education. She knows what makes our children 'tick', works them hard whilst getting them ready for high school, and all with a sense of humour and a laugh along the way. Her news has made everyone, especially me, extremely sad, but it is the start of a new and exciting chapter for her. The person who takes her place will have very big shoes to fill!

The annual Easter egg competition will be homework over the holidays. If your child/children would like to enter, they can bring their entry in on Tuesday 19th April ready to be judged. The winners will be announced at the Easter Service. We cannot wait to see your designs! Good luck!

The Easter Service at St. John's Church was a great success! Mrs. Carty talked about The Easter Story and things that were true but hard to believe. Thank you for those parents who were able to join us – it was just lovely!

The comments and views from the completion of the **Parents' Survey** were very much appreciated. Please could you take the time to sit with your child/children so that we can hear their views and complete the **Pupil Survey** that will be sent out via School Spider. Many thanks in advance!
