Love and Justice for All

13th May 2022

Dear Parent,

What a busy week!

CONGRATULATIONS! to Year 6 for completing SATs Week! They have all worked extremely hard and shown great determination and resilience. We are all so very proud! Well done Mrs. Evans and Mr. Carlile and all the teachers and teaching assistants who have been part of their journey at Guiden Sutton. Tent Day, Min 'Y' Don, school performance, leaver's party... here they come!

Cheryl Foster, international football referee, visited the whole school to tell us all about her career as a professional footballer, P.E. teacher and how she will be refereeing in the Women's Euros 2022, which starts on 6th July.

Jubilee Celebrations:

Friday 27th May: 11:45am -1:30pm (weather permitting). Children will have a special grab bag packed lunch but can bring their own from home if this is the norm. Parents, grandparents and younger siblings are invited to bring their own picnic, rugs etc. and join us on the school field via the carpark, through the green gates. There will be name the corgi, a crown competition and Mr. Davis will be organising the music. Fingers crossed for nice weather!

Class photographs, Monday 13th June.

Sports Day, Tuesday 21st June and Reserve Sports Day, Wednesday 22nd June.

Call in Friday, 1st July. If anyone is, free to help tidy up the Courtyard or Millennium Garden afterwards that would be very much appreciated. Bring your gardening gloves! The Trustees will also have a pre-loved uniform sale before and afterwards.

Collective Worship reminders below. **Please double check the dates, as there have been a few amendments.** You will be invited to pop into your child's class after Collective Worship until 10am.

Q & A: I know some parents will have started to think about September 2022... The children will continue to come to school in their P.E. kits on P.E. days!

Our Whit half term holiday incorporates the Queen's Jubilee.

Covid-19 update:

'It is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.

If a child or young person has a positive COVID-19 test result, they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.

Any spare time you have to help **Mr. Davis** do a few 'odd jobs' around school (tidy up the courtyard, weeding, painting etc...) would be very much appreciated. Please contact the school office and let us know.

Please continue to use the new and improved **school website** to keep up-to-date with the curriculum, what your child has been up to on their discussion pages and events (which are published on the **live calendar**). This can be found at the bottom of the page, under School Calendar. Don't forget you can use the school **Facebook** page to keep up-to-date with what goes on in school on a daily/weekly basis.

Attendance continues to be above national average, so thank you to everyone for making this a priority. After a disjointed two years, it is so important that all children have consistency with their education.

A reminder that the **'kitchen choice'** when selecting your child/children's **school dinner** is the same as the **'main choice'** offered.

Also, **Mrs. Lloyd** is here to help anyone who needs any support with **School Spider**.

Have a great weekend,

Theresa Rainford
