Love and Justice for All

13th October 2023

Dear Parent,

Autumn is definitely here! Our children are so caring and creative – they love to look after all God’s creatures by making ‘bug hotels’ to keep them safe.

Year 3 and Year 4 ambassadors were faced with some very tricky challenges and had to really think 'outside the box' to explain their answers at a **maths challenge** day at Newton Primary School. **Year 5 and Year 6** completed their pilgrimage to **Chester Cathedral** on Monday and learnt so much about the magnificent building that is just on our doorstep!

We all celebrated World Mental Health day on Tuesday and talked about the importance of talking to someone we trust if we can’t cope with our feelings. The **LOVE HEARTS** went down well too! A **HUGE THANK YOU** for everyone who supported the **Rags2Riches** scheme, we raised **£150.55**.

It was lovely to see **Year 4** parents and grandparents at **Collective Worship** on Thursday. **‘Give us today our daily bread’** was a very fitting verse to lead us into our **Harvest Festival**.

A message from Public Health England:

What to do if a child tests positive for COVID-19?

Most people can no longer access free testing for COVID-19. It is not recommended that children and young people are tested for COVID-19 unless directed by a health professional.

For children and young people aged 18 and under who test positive for COVID-19, the advice is to try to stay at home and avoid contact with other people for three days. This is because children and young people tend to be infectious to other people for less time than adults.
